Milwaukee Radio Amateurs Club License Training Classes are open to non-members of the club and members alike. Classes will be held on Wednesday evenings this fall and will cover Novice and General/Technician grade licenses. We will consider classes for Advanced and Extra Class if there is enough demand and we find that we can handle it.

While MRAC members will receive application blanks for our school in a future mailing they can assist greatly if they will take the trouble to drop us a line, a post card will do, giving your name and address and phone number and what grade you are interested in. Don't delay, do it now!

NON-MEMBERS should do the same, but should also include a stamped self-addressed envelop (#10 large business) so we can send them the class registration blanks early this fall so they can register for the training program.

FIELD DAY REPORT

June 27/28 1981 - Details of this fine operation must wait for our September meeting. However, we can be very proud of the ingenious installations that were assembled and operated on that hilltop at the Old Nike Site north of Lannon. We owe thanks to all who participated and particularly to:

Jack Krause W9JK
Bob Glamm W9UGN

We operated 4 stations the full 24 hours and had as many as 7 in operation at times. We expect our score to be higher than in the 1980 test.

PICNIC PICNIC PICNIC PICNIC PICNIC
MRAC CLUB PICNIC - Sunday July 26, 1981 -- Again at JACOBUS PARK -

Starts at 11:00 AM. Bring your own lunch. Club will furnish beer, soda, ~~pretzels~~ and potato chips. Donation of one dollar from each picnicker 12 years of age or older should cover the refreshments.

OK boys and girls, come out and ragchew to your hearts' content and you will not be interrupted by the presidents' gavel as so often happens at the club business meetings.

Jacobus Park is south of State Street in the area between 68th and 60th Streets. At the 68th Street end the entrance to the park is via Honey Creek Parkway and at the 60th Street end it is marked Menomonee Drive. There is only one picnic area in Jacobus Park and we have it for this event.
